

Music Video Production Course

Shout out to all music artists and aspiring digital video producers to come and create a music promo for one of your tracks, or a track provided for you by the tutor.

Date: 26th - 30th Oct 2020, 10am - 3pm

Eligibility: Available to those 19 and over

Location: Creative Works, 7 Blackhorse Lane, Walthamstow, London E17 6DS

Taught by a BAFTA winning writer and qualified teacher, this course helps you learn the music promo production process whilst working on a live project. Study pre-production skills including treatments, storyboarding and shooting scripts. Learn how to use a variety of camera and lighting equipment, shoot digital footage for your promo and apply post-production techniques using Adobe Premiere and the Creative Cloud suite.
